Press Release – 1<sup>st</sup> April 2025

## **Statement on the Earthquake in Myanmar and Thailand**

The Buddhist Council of Victoria extends its most profound compassion and solidarity to all those affected by the recent earthquake in Myanmar and Thailand.

We join with the global community in mourning the loss of life and the suffering caused by this natural disaster.

We encourage all individuals and organisations to support verified humanitarian efforts aimed at rebuilding lives, homes, and communities impacted by this tragedy.

In this time of hardship, we offer our prayers and blessings for peace, healing, and strength to all those affected. May those who have lost loved ones find comfort, and may all beings be free from suffering and the causes of suffering.

Yours sincerely,
